Gonna put the the world away for a minute Pretend I don't live in it Sunshine gonna wash my blues away

Had sweet love but I lost it

She got too close so I fought her

Now I'm lost in the world trying to find me a better way

Wishing I was knee deep in the water somewhere
Got the blue sky breeze and it don't seem fair
Only worry in the world is the tide gonna reach my chair
Sunrise there's a fire in the sky
Never been so happy
Never felt so high
And I think I might have found me my own kind of paradise

Wrote a note said be back in a minute Bought a boat and I sailed off in it Don't think anybody gonna miss me anyway

Mind on a permanent vacation

The ocean is my only medication

Wishing my condition ain't ever gonna go away

Cause now I'm knee deep in the water somewhere Got the blue sky breeze blowing wind through my hair Only worry in the world is the tide gonna reach my chair Sunrise there's a fire in the sky

Never been so happy Never felt so high And I think I might have found me my own kind of paradise

This champagne shore washing over me
It's a sweet sweet life living by the salty sea
One day you could be as lost as me
Change you're geography
Maybe you might be

Knee deep in the water somewhere
Got the blue sky breeze blowing wind through my hair
Only worry in the world is the tide gonna reach my chair
Sunrise there's a fire in the sky
Never been so happy
Never felt so high
And I think I might have found me my own kind of paradise

Come on in the water it's nice Find yourself a little slice Grab a backpack of lies You never know until you try When you lose yourself You find the key to paradise
