

Agenda 21

Zero Hour

Eye for eye
tooth for tooth and truth for lies
Claw for claw
defenseless by the law

So there I was
Innocent until proven guilty
And here I am
no mercy trial or jury

You for me
the palace for the guillotine
as for me guilty because I knew

No doors no windows
No signs of life
No doors no windows
No speech no rights

This is a sophisticated approach to the destruction of human freedom
but like every super-state that preceded it it has one iron rule:
logic is an enemy and truth is a menace

This power sins entraps and breaks you in its lair
This power wins when all are broken by despair

We are the ones who keep and tend the fire
cast you down to the Hell below
cast you down to the Hell below and watch you burn
We are the ones who speak eternal liars
cast you down to the Hell below

Shatter the lives of the common man
sever their hearts and bring the heartache
Master their minds do all we can
Twist the truth until their will breaks

Shatter their lives

You say it could never happen here
And there are those who listen but still will not hear
But when the face of evil appears at their door
they will disbelieve nevermore

And when the final blood is shed
who will bury the dead

We are the ones who keep and tend the fire
cast you down to the Hell below
cast you down to the Hell below and watch you burn
We are the ones who speak eternal liars
cast you down to the Hell below

Shatter the lives of the common man
sever their hearts and bring the heartache
Master their minds do all we can
Twist the truth until their will breaks

Full spectrum dominance
Eminent domain for all
Disinformation is the plan
for the obsolete man
