

# Trust Me

Zola Jesus

When you're lost  
Never look down  
When you're lost  
Know I'll be around  
In the meantime when you are found  
In the meantime when you are found  
I'll be here  
I'll be here

I told you to trust me  
I told you to trust me  
'Cause in the meantime I'll be here  
Yes in the meantime I'll be here  
Trust me  
Trust me

I know that you're afraid  
But I'm here  
Hang it all  
Hang it all  
Trust me  
'Cause I will be here  
I will be here  
I told you to trust me
