**G** **C**  
1. I'm tasteless, but I'm tasteful  
**Emi** **C**  
I'm relentless, but you persuade me  
**G** **C** **G C**  
I'm poor little cat, but I'm hyena!  
**G** **C**  
I'm quietly, but I'm quarrelsome  
**Emi** **C**  
I'm modern, but I wear fortnightly socks  
**G** **C** **G C**  
I'm intellectual, but I'm impolite!

**Emi** **A** **C** **G**  
But all that I have is my army for a future  
**C**  
and every cigarette of mine isn't mine in fact but  
**D**  
I hope that will be fine!

**G**  
R: I don't need any doctor who  
**C**  
would say to me that I'm whosoever!  
**G**  
I don't need any judge who  
**C**  
would say to me that I'm sentenced!  
**G**  
I don't need any teacher who  
**C** **D**  
would say to me that I'm naughty, yeah!  
**C** **G** **C G C**  
I think, that I was absent then...

2. I'm bright, but I'm really wise  
I'm cripple, but I'm entirely nice  
I'm fanatic, but I'm not satisfied!  
I'm sardine, but I'm a shark at the same time  
I'm obvious, but not ashamed on the performance  
I'm credulous, but don't believe to anyone!

But all that I have is my army for a future  
and every cigarette of mine isn't mine in fact but  
I hope that will be fine!

R: I don't need...

3. I'm an effective pill, but I'm poison after little while  
I'm small illustration with the youth and so real eyes  
I'm indecisive, sometimes I need of a slap in my face!

But all that I have is my army for a future  
and every cigarette of mine isn't mine in fact but  
I hope that will be fine!

R: I don't need...
