I can't forget her memry deep inside

2. Dropped a bundle down in panama,
but the loss didn't do me no good
spendin' cash and talkin' trash
don't do it like it should
I realized I just couldn't buy her smile
I'll keep tryin' on that pan am mile by mile
3. If she'd meet me in San Salvador,
i'd buy her a drink or two
we'd talk about our used to be and
ride on to Peru
the time to get it right is here and now
and if she won't i'll move on anyhow
