

Aye, aye, aye
Aye, aye
All these bitches
All these bitches
It's some hoes, some hoes
All these bitches, all these bitches
All these hoes, all these hoes
All these bitches, all these bitches
All these hoes, all these hoes
All these hoes, all these hoes
All these bitches, bitches, bitches, bitches

All these bitches in this club look like they go together
Steady dancing like some sluts like they gon' fuck each other

All these bitches in this club look like they go together
Steady dancing like some sluts like they gon' fuck each other

Chemistry
All these hoes in here got chemistry
Chemistry
I like hoes who got that chemistry

All these bitches in the club
Got hips and butt, might let me fuck
All these bitches in the hood
Up to no good, gon' give it up
All these bitches that I know
Gon' go for what they know fasho
All these bitches, ain't no hoe
That's how it go when you a LOC
All these bitches off the ACE
We bought the bar, cause we just passed
Popping pussy in my face
And from the front, I see some ass
All these bitches say they independent
But they need a man
All these bitches that I fuck
Gon' know we need a payment plan
I am not a pimp
But all these bitches ass niggas say they is
Half these bitches go for that
And they gon' have these niggas' kids
All the bitches down to fuck with me
Cause I've been going up
All these bitches drunk as fuck
And ain't nothin' else but throwing up
All these bitches chasing riches
All these bitches they can get it
Half these bitches barely bust a nut
But always let me hit it
All these bitches bounce for me
When niggas got it out for me
Cause all these bitches know
My bitch named Nina
Knock it out for me

All these bitches in this club look like they go together
Steady dancing like some sluts like they gon' fuck each other

All these bitches in this club look like they go together
Steady dancing like some sluts like they gon' fuck each other

Chemistry
All these hoes in here got chemistry
Chemistry
I like hoes who got that chemistry

All these hoes I know
Know how to blow
I give 'em blow
We go through highs and lows
How long this shit been going on
Who knows for sure
But all I know is all these hoes
Gon' gather all the dough
Hoes gon' bag up all the dro
Cop a bottle, pour some more
All these hotties got a body
Asian girl hot as Huarache
Oops I meant to say "wasabi"
All these hotties tryna leave the party
With a new somebody
All these hotties acting naughty
All these hotties down to bust it open
For some new Bvlgari
All these bitches buy Balenciaga and Balmain
All these bitches ride the wood
Don't go against the grain
All these bitches go insane
They know we fuck right by the lane
In the lot, outside
I even got some in the rain

All these bitches, all these bitches, all these bitches
All these hoes, all these hoes, all these hoes

All these bitches, all these bitches, all these bitches
All these hoes, all these hoes, all these hoes

All these bitches in this club look like they go together
Steady dancing like some sluts like they gon' fuck each other

All these bitches in this club look like they go together
Steady dancing like some sluts like they gon' fuck each other

Chemistry
All these hoes in here got chemistry
