Bitch, I'm on my way up the road
Bitch, I'm on my way to the door
Please don't get mad 'bout no ho
'Cause I need my change out these ho
Won't get no change out your mind, bitch
I just get change, I'm gon' handle it
I got this game, ain't no playin', bitch
Ayy, ayy, ayy
I might catch a fade on ways to see my counts
Let me out my cell, I gotta sell these ounces
I got niggas workin', bitch, I gotta bounce
Wish you would make a move, I got your ass surrounded
Big boss in the yard when I'm in the pen
Big boss in the hood, had to get it in
Stop playin' with a nigga, I am not your friend
Always comin' by, nigga, please do not pretend
Get the fuck back, get the fuck back, ayy, ayy
I'ma touch racks, I'ma touch racks, ayy, ayy
In and out the jail I'ma handle scales, ayy, ayy
All I do is sell, all I do is sell, yay, yay
I could never tell, I could never tell
Niggas say they real, I could never tell, yay, yay
All on my plate, I put that coke in my face
I never play, I had to get the gunspray
Right here where I live and play, playin' the game

I went from detention to detention centers
I just did some lines, no, I ain't do no standin'
