

# Floating

03 Greedo

Feel like I'm walkin' on air, yeah  
Feel like I'm walkin' on water

Floating, I can touch the sky, I'm high enough  
Chopper right behind us, load it up  
Watch your spirit rise in front of us  
Just 'cause you thought y'all could call my bluff  
Walkin' on air, walkin' on water  
Walkin' on air, floatin' (walkin' on air)  
Feels like I'm walkin' on air, floatin' (like I'm walkin' on water)  
Like I'm walkin' on water, floatin'  
Yeah, she let me dive in her ocean

I dive inside her ocean  
When I'm high I'm feeling like I'm floating  
Pour the line and another line, pour the potion  
Put a deuce in a lemon nine, now I'm floating (floating)  
Every time I dive inside her ocean (inside her ocean)  
Every time I'm high I feel like I'm floating (feel like I'm floating), 03  
Beat up that pussy, I turn to a savage  
Fuck on that pussy, look just like an actress  
Work and the gun just right under the mattress  
I feel like I'm floating on top the magic  
Deep inside her ocean, I'm ridin' the wave  
Ridin' the wave

Floating, I can touch the sky, I'm high enough  
Chopper right behind us, load it up  
Watch your spirit rise in front of us  
Just 'cause you thought y'all could call my bluff  
Walkin' on air, walkin' on water  
Walkin' on air, floatin' (walkin' on air)  
Feels like I'm walkin' on air, floatin' (like I'm walkin' on water)  
Like I'm walkin' on water, floatin'  
Yeah, she let me dive in her ocean
