Bright white, dice dice, top flight, dark Sprite  
You can only understand me if you really move it  
White knights, white dice, now I live a white life  
Dancin' on the work, do the Vanilla Ice, two brick  
Ice ice ice ice, I ain't talkin' jewelry  
Ice ice ice, so icy like Gucci

Quit the baller blocking, this is not a fuckin' movie

Fresh out say cheese, say that I'm the best out

Niggas tryna get me pinched, tell the judge I'm innocent  
I can't trust the enemy and I can't trust my fuckin' friend  
I can't even trust this lil pussy nigga Benjamin  
Frankly I was really only living for the listeners  
Until I realized some of the wrong people listening

Bright white, dice dice, top flight, dark Sprite  
You can only understand me if you really move it  
White knights, white dice, now I live a white life  
Dancin' on the work, do the Vanilla Ice, two brick  
Ice ice ice ice, I ain't talkin' jewelry
