

## Same Thang

03 Greedo

Say, say baby I had to come see a hoe about some dough!  
I can get some money out the same thing that made me  
Mean no disrespect but my own momma know I'm crazy

Is you coming cause I'm leaving  
Keep going to fuck  
Sluts bust nuts, skeet, she deepthroatin'  
Said she knows my weed potent  
Cause it felt like she was smoking  
How that donkey had her choking  
Ganging cause she knows me  
While she oil up [?]  
Another woman walked past me, and  
I asked her if she happy with lil cuh she holding hands with  
Then she froze a little minute so he knew she wanna answer  
Snatch her ass in public turn her to a fucking dancer!  
I'm a gangbangin, dope-slangin, rap singing PI  
Been so soldiered down my shooters used to call me GI  
General but anywho, got any hoe I ever chose  
I never ever give her dough, just buy her ass some better clothes  
Happy meals and painted toes, I refuse to pay ya hoes  
Keep it solid, play your role, lil bitch!  
(Ain't nothing but some mufuckin' pimpin going on over here bitch)  
I'm a plug, I'm a rapper, I'm a G  
Shorty know the projects, bang Grape street  
Told the hoe you know it's only one 03  
She like who the fuck is cuzzo, only met Mozzy the P  
Let me think  
Don't even trip off all that, bitch fall back, you on punishment for pulling up with all that small rap

Aye I can get some money out the same thing that made me  
Mean no disrespect but my own momma know I'm crazy  
I can get some money out the same thing that made me  
Mean no disrespect but my own momma know I'm crazy  
I can get some money out the same thang that made me, aye  
And that's the pussy  
And that's the pussy
