

# Substance

03 Greedo

Hey, 03  
Yeah

We woke up  
Intoxicated off of all type of drugs  
I'm never sober when I'm in love  
I need some type of drugs  
I need some type of substance  
She keep sendin' me subs  
I need some type of substance  
She keep sendin' me subs  
So I need some type of drugs

So I hit up my plug  
Wanna spend some time with a thug?  
Come here, suck a dick in the club  
Type of bitch who don't give a fuck  
Fallin' in love  
I'm off all type of drugs, oh  
She keep sendin' me subs  
I need bread and the cheese  
I'm the center of the streets  
I need premium fee  
That's the boss, he in me  
Come and fly with a P  
Woah, I'm putting drugs in my tree  
Bitch, you know I'm a fiend  
Give you all to me  
Take a dose, maybe three  
It's only one of three

We woke up  
Intoxicated off of all type of drugs  
I'm never sober when I'm in love  
I need some type of drugs  
I told that bitch I need substance  
She keep sendin' me subs  
I told that bitch I need substance  
And she keep sendin' me subs  
So that means I need some type of drugs

Take some, shake some  
Pop it like some ecstasy  
Take some, shake some  
Pop it like some ecstasy  
Take some, shake some  
Pop it like some ecstasy  
I drank some, shake some  
Pop it like some ecstasy  
Take some, shake some  
Pop it like some ecstasy  
Take some, shake some  
Pop it like some ecstasy  
I told her take some, shake some  
Pop it like some ecstasy  
Baby, take some, drank some  
Pop it like some ecstasy

We woke up  
Somewhere by the sea  
That's the buzz, he in me  
Come and fly with a P  
Ooh, I'm a wolf you lookin' at, ayy  
Lookin' like somethin' to eat  
You know I'ma creep  
Ice man in my cheek  
In the snow it's a freeze  
And snortin' blow is a key, yeah
