

# Whatever Happened

03 Greedo

You know what I'm sayin', most of you niggas is has-beens  
You know what I'm sayin'?  
Most these bitch husbands is has-beens  
Mr. Whatever Happened

What ever happened?  
I thought you niggas was trappin'  
Most of you niggas was cappin'  
Most of you niggas is average  
What ever happened, what ever happened?  
I thought you niggas was trappin'  
Most of you niggas what happens  
Most of you niggas was cappin'  
Most of you niggas was cappin'

What ever happened to you? You don't be rappin' the truth  
You only trap in the booth, you only clap in the booth  
You don't be rappin' the truth  
You just be leadin' the youth  
We gon' be meetin' with you  
We don't fuck with the fuck niggas  
We don't rush you to drug dealers  
That's some shit we already do  
Better check a nigga resume  
Always been about the revenue  
All my cars got residue  
I ain't worried 'bout the interview  
You ain't a legend, I don't fuck with you  
All we really rappin' is the truth  
What ever happened to you?  
Maybe what happened with you is that you  
What ever happened to you?  
You don't be rappin' and rappin' the truth  
Who the fuck are you? Who the fuck are you? Who the fuck are you?

What ever happened to you, what ever happened to you?  
What ever happened to you, what ever happened to you?  
What ever happened to you, what ever happened to you?  
What ever happened to you, what ever happened to you?  
What ever happened to you, what ever happened to you?  
What ever happened to you, what ever happened to you?  
What ever happened to you, what ever happened to you?  
What ever happened to you, what ever happened to you?

What ever happened to cuz, what ever happened to blood?  
What ever happened to squares, what ever happened to thugs?  
What ever happened to squares, baby, you know I'm the plug  
You ain't really sellin' drugs, you ain't really sellin' drugs  
Drummer gang got a hundred round drums and you know we got the slug  
You be movin' like a snail, you can't even make the bail  
You ain't never made a sale, you ain't never popped a shell  
You the type that's finna tell, you the type your ship has sailed  
Ridin' a wave, I know you niggas be ridin' a wave  
I'ma whip it in the kitch, I be treatin' you like a slave  
I'ma treat you like a slave while you niggas actin' brave  
You'll never get saved unless you niggas givin' payment  
All my niggas gettin' paid, yeah, my niggas stayin' paid

All y'all niggas stay safe

What ever happened?  
I thought you niggas was trappin'  
Most of you niggas was cappin'  
Most of you niggas is average  
What ever happened, what ever happened?  
I thought you niggas was trappin'  
Most of you niggas what happens  
Most of you niggas was cappin'  
Most of you niggas was cappin'

What ever happened?  
What ever happened?  
What ever happened?  
What ever happened?
