Everywhere I go I'm hearing something
Baby stop making things out of nothing
Am I the one to blame, three years, still the same
I talk so nothing is changed
I had to go, you call me rude
I did it for us, I did it for you
A hundred below, eye on the blue
Tryna get close, you tell me to move, oh, ah
Tell me do you wanna stop?
Before I get up to the top
Click clack pow, just take your shot
I won't wait, I've had enough, yeah
2AM, my mind's on us
All my friends out to the club
Saw you there, they said you're numb
Numb to the pain, oh how you change
It's not 'bout the girls, it's not 'bout the fame
Blowin' the clouds, tonight it will rain
You havin' fun, this isn't a game, oh yeah
Yeah yeah yeah yeah

Double up, your love is not enough
Thank you for your accusations
Thank you for your accusations

Sunflower fields, I just want to run
Girl you rubbin' off, I think I'm pretty numb
Sippin' on these things and I don't care about the law, yeah-eah
