Ooh, I remember you said
Ooh, I remember you said
Ooh, I remember you said
Ooh, I remember you said

Out of everyone
That would stand in front of me
You know you're the one
I could never let you leave
I've been holding on
I've been holding on for weeks
We don't have to go
Don't you let go of my heart
Hold it in your arms
We can share love, oh, oh
You were meant for me
You belong to me, oh

El-le-ho-ho, el-le-ha-ha
I was only gone for the past few months
You will let me go, you will let me go, yeah
With me, yeah
You belong to me

Yeah, back like I left my weed
Way too much pressure, can't breathe
Got the world on my shoulders, get the hate off me
Get some grabba, then I roll it, put my mind at ease
In the sky, see me soaring (Soaring)
But you're far from it (Far)
Ooh, what you want from it?
Don't pay attention, I ain't paid yet
Young boy, Cole World, damn, I love my Avirex
Talk hot, get popped, I ain't gotta say the rest
We won't ever play the bench
You don't wanna play with us, ooh
Shorty from the 7 in an Armageddon
You don't wanna wreck with us
Watch how they leave, Exodus (Exodus)
Talk my shit, can't censor us (Censor us)
Been had the vision, yeah (Yeah)
Took long to get it, yeah (Yeah)
Lifelines was given, yeah (Yeah)
Knowledge and wisdom, yeah
Building up my prism, it don't matter the religion
Take a look at how we living and we living good, yeah, yeah
Take a look at how we living and we living good

And a little voice said, ooh (Little voice said)
And a little voice said, ooh (Little voice said)
And a little voice said, ooh (Little voice said)
And a little voice said, yeah (Little voice said)

You were once the one
You would stand in front of me
You would say I'm wrong
But I'd never let you leave

I was holding on
I was holding onto each
We don't have to go
We don't let go of my
Oh, I look into your eyes
I feel my lies
Woah, and you reminded me
And you were said to me

El-le-ha-hey, el-le-ha-ho (Mm, uh)
I was only gone for the past few months (Mm, yeah)
Isn't that what you want?
Isn't that what you want?
Gonna lead me on (Gonna lead me on)
Gonna lead me on, yeah, yeah, uh-oh
