Baby I'm a stranger, stranger, stranger to you

Don't you be ashamed, show your face if you feel a way  
You know it's earlier when we sleep today  
Don't you be ashamed, show your face if you feel a way  
You know it's earlier when we sleep today  
Took it to the left, we don't slow at all  
Wicked, wicked rush, we don't stop at all  
Took it to the left, we don't slow at all  
Wicked, wicked rush, we don't stop at all

We ain't surprised, we doing fine, we-, we doing fine  
Have you lost your mind? Oh, we doing fine, we-, we doing fine

Only we live forever, so don't you ever time me

Only we live forever, so don't you think 'bout timin' me

How you know?
