

Downhill

10,000 Maniacs

Running as fast as I can
But it's all downhill
Catch me if you can
I'm running downhill

Downhill, downhill

Learning about your uncluttered house
And your heart attack
Looking around in your drawers
Stealing your photographs

Downhill, downhill

Rooting around behind doors
The stores of your books and life
Looking around on the floor
Finding your pocket knife

Downhill, downhill

Running as fast as I can
But it's just downhill
Catch me if you can
I'm running downhill

Downhill, downhill

Downhill, downhill
