

# Dead in the Water

10 Years

Blessed are he who speaks the word  
Pray for the weak and lead the herd  
Dollar signs in the faithful eyes  
And a saint's Sunday disguise

You're just a faker  
No miracle maker  
Holy behavior  
Won't make you a savior

If we want a martyr  
We'll come and find you  
Come and find you  
Done before you started  
You're dead in the water  
Walk on a farther out to sea  
You're done before you started  
You're dead in the water

Wretched are he who sees the word  
Holiness so well rehearsed  
Dollars signs in the faithful eyes  
And a saint's Sunday disguise

You're just a faker  
No miracle maker  
Holy behavior  
Won't make you a savior

If we want a martyr  
We'll come and find you  
Come and find you  
Done before you started  
You're dead in the water  
Walk on a farther out to sea  
You're done before you started  
You're dead in the water

The water  
The water  
The water

Money made messiahs  
You're televised to tell your lies  
Not another a martyr  
You're dead in the water

If we want a martyr  
We'll come and find you  
Come and find you  
Done before you started  
You're dead in the water  
Walk on a farther out to sea  
You're done before you started  
You're dead in the water

You're dead in the water

You're dead in the water  
You're dead in the water  
You're dead in the water
