

# Don't Fight It

10 Years

I wanna know what you really think of me.  
I wanna feel all the pain that sets you free.  
These waves of doubt are drowning me.  
Gone are the days when this was easy.

Buried in the past,  
So many moments I want back.  
Tomorrow doesn't hold onto yesterday.

If I fall back into you,  
Don't fight it, don't fight it.  
Show me what we've got to lose,  
Don't hide it, don't hide it.  
Memories stuck in my head,  
All the things I should have said.  
If I fall back into you,  
Don't fight it, don't fight it.

I wanna know after all these lessons learned  
If there's a road from these bridges that we burned.  
I need to know if you still want me,  
Want me to show how much I need you.

Buried in the past,  
So many moments I want back.  
Tomorrow doesn't hold onto yesterday.

If I fall back into you,  
Don't fight it, don't fight it.  
Show me what we've got to lose,  
Don't hide it, don't hide it.  
Memories stuck in my head,  
All the things I should have said.  
If I fall back into you,  
Don't fight it, don't fight it.

Gone are all the days when this was easy,  
Tomorrow can't hold onto yesterday.

If you come right back to me,  
I won't fight it, I won't fight it.  
Show me what you need from me,  
Don't hide it, don't hide it.

If I fall back into you (If I fall),  
Don't fight it, don't fight it.  
Show me what we've got to lose (Show me what),  
Don't hide it, don't hide it.  
Memories stuck in my head,  
All the things I should have said.  
If I fall back into you,  
Don't fight it, don't fight it.
