

# Through the Iris

10 Years

Cherish  
Two circular hues of blue with a gray shade  
So captivating  
More than you know

False perceptions  
That brought forth these questions of  
Truth, love and hope  
Now that you're injuring  
I'll carry you with me just  
Please hold on

Disappear and dissolve  
A weakening wall  
Will one day fall  
It's wise to sever our loss  
I redefine pulse  
Through your iris

Love's not all lost  
But it's nailed to my cross  
And crucified all that I've held on  
To be awaiting  
Anticipating a touch such as yours

False affection  
A spawn of neglecting  
Of love, lust, hoax  
Please understand me  
That now where you're standing  
Is closer then I'd hoped

Disappear and dissolve  
A weakening wall  
Will one day fall  
It's wise to sever our loss  
I redefine pulse  
Through your iris

Disappear and dissolve  
A weakening wall  
Will one day fall  
It's wise to sever our loss  
I redefine pulse  
Through your iris

Disappear and dissolve  
A weakening wall  
Will one day fall  
It's wise to sever our loss  
I redefine pulse  
Through your iris
