

Fuck Teeth

100 geecs

Sitting around, don't know what you're doing now, but that's OK
Feeling now, got a phone, doing shit but I'm on the phone
I'm smoking dope, goddamn that's a whole lot of dope
Good shit, that's all I know

Feeling now, don't know what I'm feeling now but that's OK
Doing shit on the phone, got a phone so that's OK
My phone is dead but I'm dead
But I'm talking to you so that's OK
God damn Matt find my rope

Feeding now, got a doge, and a phone
So my dog's a phone
Eating now, on the floor, feeling like "Oh, that's okay"
Feeding doge my femur bone but my teeth break on the bone
Good shit, fuck teeth, OK doggo
