

I look outside and see your bright eyes  
I don't know if I can get to you  
Don't know if I'll be back (if I'll be back)  
I don't know how to be alone  
I'm always looking at the phone  
(Ooh) Waiting for your call  
(Okay, alright, okay, alright, I see)

I can see it right now  
You're sitting all alone, and you call me on the phone  
And you say, "I need love, can you get to me now?"  
Sitting all alone, and you call me on the phone  
And you say, "I need love, can you get to me now?"  
Sitting all alone, and you call me on the phone  
And you say, "I need love, can you get to me now?"  
Sitting all alone, and you call me on the phone  
And you say, "I need love, can you get to me now?"

I needed this more than you will ever know  
I needed this more than you will ever know

Dishes are piling up  
But that's cool  
'Cause at least we got food  
Yeah, everything is pilin' up  
But that's cool, that's cool  
'Cause at least I got you, I got you, I got you  
Tell me that you don't want to bug me  
I'll tell you, "Baby, bein' here is nothing"  
Call me anytime you're feelin' lonely  
(Okay, alright, okay, alright, I see)  
And I'm running home to be with you

I can see it right now  
You're sitting all alone, and you call me on the phone  
And you say, "I need love, can you get to me now?"  
Sitting all alone, and you call me on the phone  
And you say, "I need love, can you get to me now?"  
Sitting all alone, and you call me on the phone  
And you say, "I need love, can you get to me now?"  
Sitting all alone, and you call me on the phone  
And you say, "I need love, can you get to me now?"

Dishes all accounted for  
Got about a counter full  
Yeah, I'm always out of bounds  
Yeah, I'm not responsible  
But I'm always counted for  
Fuckin' up I'm right at home  
Corner store to studio  
To work and then I'm back to you

I can see it right now  
You're sitting all alone, and you call me on the phone  
And you say, "I need love, can you get to me now?"  
Sitting all alone, and you call me on the phone  
And you say, "I need love, can you get to me now?"

Sitting all alone, and you call me on the phone  
And you say, "I need love, can you get to me now?"  
Sitting all alone, and you call me on the phone  
And you say, "I need love, can you get to me now?"
