

mememe

100 gecs

You'll never really know, know-know-know, know-know-know
Anything about me, me-me-me, me-me-me
No, you'll never really know, know-know-know, know-know-know
Anything about me, me-me-me, me-me-me-me-me

When we were together I tried to tell you
I used to tap dance when I was in choir
And I broke my arm when my dad crashed a go-kart
He didn't mean to, my mom didn't buy it
I tried on your lipstick, I thought I looked pretty
But you didn't care, no, 'cause you're always busy
And you're always busy, so you never hear me (Me-me-me-me-me)

So you'll never really know, know-know-know, know-know-know
Anything about me, me-me-me, me-me-me
No, you'll never really know, know-know-know, know-know-know
Anything about me, me-me-me, me-me-me-me-me

Do I sound like a joke when I'm talking to you?
I take it back quick and I nod like "true"
'Cause you say so many things, and I don't know what I mean
Short messages to you, short messages to me
Now if I think of a joke, when I say goodbye
I put my palms on my face and pretend to cry
But I'll laugh too fucking hard
You probably think I'm so mean
But I don't even know you
And now you'll never really know

A-a-a-and you'll never really know, know-know-know, know-know-know
Anything about me, me-me-me, me-me-me
No, you'll never really know, know-know-know, know-know-know
Anything about me, me-me-me, me-me-me-me-me

I guess it's such an easy game (Game-game-game, game-game-game)
If it put you right to sleep (Sleep-sleep-sleep, sleep-sleep-sleep)
Rationale and cheap cliché, -ché-ché-ché, ché-ché-ché
Hollow and callously, -lous-lously, -lous-lously

Could you explain it all away? (Way-way-way, way-way-way)
Like it was all so clean (Clean-clean-clean, clean-clean-clean)
Something said about the way it's, "OK, bet, I forgot
And I guess I never knew
But I don't think I'll pretend it's cool and I guess you'll never know

Know, know-know, know-know-know
Anything about me, me-me-me, me-me-me
No, you'll never really know, know-know-know, know-know-know

Anything about me, me-me-me, me-me-me-me-me

Anything about me (Me-me-me, me-me-me) (Wooooh!)

Anything about me (Me-me-me, me-me-me)

Yeah, you'll never really know, know-know-know, know-know-know

Anything about me, me-me-me, me-me-me-me-me
