

When he calls me I'm going crazy  
Call me with my friends, it doesn't phase me  
Windows down riding in the SUV  
And I'm spilling champagne all on my screen, screaming  
Wheels are screeching, 100 miles per hour  
He like me 'cause I'm wild, cameraphone in the shower  
Ring-ring, gonna let it ring out  
Sounds so good when I turn it up loud

My boy's got his own ringtone  
It's the only one I know, it's the only one I know  
My boy's got his own ringtone  
It's the only one I know, it's the only one I know  
My boy's got his own ringtone  
It's the only one I know, it's the only one I know  
My boy's got his own ringtone  
It's the only one I know, it's the only one I answer

K-K-B, A-A-C, your ringtone could be anything  
A barking dog, revved engine, whatever catches your attention  
It's your choice, would you like to hear my voice or is it hard to talk  
When you're scared of where the call is coming from?

My boy's got his own ringtone  
It's the only one I know, it's the only one I know  
My boy's got his own ringtone  
It's the only one I know, it's the only one I know  
My boy's got his own ringtone  
It's the only one I know, it's the only one I know  
My boy's got his own ringtone  
It's the only one I know, it's the only one I answer

I think I might be addicted to your kisses  
Lovestruck, baby, you're the piece I'm missing  
I know you're what I'm looking for and I'm so tired of wishing  
We can do it now or later, it don't make a difference  
He send me a text, says, "See you when you get here"  
I was lonely last week but I won't be next year  
Kiss me on my left cheek, love me like my besty  
On the phone like Ashley, rush in like an athlete  
We be at the game, yeah, but we never play them  
He could be in danger, I still wouldn't save him  
I be in the front like Rudolph the Reindeer  
I can tell you got a crush, that's the reason why you came here

You ain't gotta lie, just be honest with yourself  
You wouldn't be here if it was for anyone else  
My boy's got his own ringtone  
It's the only one I know, it's the only one I know  
My boy's got his own ringtone  
And when he calls me I don't come home

Throw away my phone  
Hide it somewhere no one knows  
Buried it in the ground so it can never be found  
But I still hear it, I hear the sound of your ringtone  
It's a crime, why can't I get you outta my mind

([Laura Les:] My boy's got, wait, Charlie, can you sing the chorus again please?)

My boy's got his own ringtone  
It's the only one I know, it's the only one I know  
My boy's got his own ringtone  
It's the only one I know, it's the only one I know  
My boy's got his own ringtone  
It's the only one I know, it's the only one I know  
My boy's got his own ringtone  
It's the only one I know, it's the only one I

My boy's got his own ringtone  
It's the only one I know, it's the only one I know  
My boy's got his own ringtone  
It's the only one I know, it's the only one I know  
My boy's got his own ringtone  
It's the only one I know, it's the only one I know  
My boy's got his own ringtone  
It's the only one I know, it's the only one I answer

(My boy's got his own ringtone)  
(It's the only one I know, it's the only one I know)  
(My boy's got his own ringtone)  
(It's the only one I know, it's the only one I know)  
(My boy's got his own ringtone)  
(It's the only one I know, it's the only one I know)  
(My boy's got his own ringtone)  
(It's the only one I know, it's the only one I answer)
