My boy's got his own ringtone
It's the only one I know
It's the only one I know
My boy's got his own ringtone
It's the only one I know
It's the only one I know
My boy's got his own ringtone
It's the only one I know
It's the only one I know
My boy's got his own ringtone
It's the only one I know
It's the only one I answer

27 missed calls lightin' up my cell phone
Sending you a text sayin', "Call you when I get home"
Taking off my work clothes, workin' in a cold one
45 group texts, 50 group DMs
Send another text askin' me if I've seen them
Pushin' back a deadline, gotta make my bedtime
Then I crack a smile, 'cause I love you and I'd do it all again

My boy's got his own ringtone
It's the only one I know
It's the only one I know
My boy's got his own ringtone
It's the only one I know
It's the only one I know
My boy's got his own ringtone
It's the only one I know
It's the only one I know
My boy's got his own ringtone
It's the only one I know
It's the only one I answer

Something's gotta work this time
It's my way of trying to let you know
I've got a little thing for you
I've got a little crush or somethin'
Maybe I'm just drunk as fuck
I customize my ringtone
But it's always you
It's always you
It's always you
It's always you
It's always you

It was always you
Put it on vibrate when I'm with you (With you)
Talkin' to myself again (Again)
Falling on broken glass
29 missed calls, never leave the basement
I don't wanna tell you what I'm really thinking (Thinking)
Thinking, what I'm really thinking
Thinking, what I'm really thinking

Used to love that ringtone
When you call me

Now it makes me sick
Used to love that ringtone
When you called me
Now it makes me sick

My boy's got his own ringtone
It's the only one I know
It's the only one I know
My boy's got his own ringtone
It's the only one I know
It's the only one I know
My boy's got his own ringtone
It's the only one I know
It's the only one I know
My boy's got his own ringtone
It's the only one I know
It's the only one I answer
