

Poison In The Well

10000 Maniacs

Tell me what's gone wrong.
I tilt my head there, under the faucet, but when I turn it on -
- dry as paper.
Call the neighbors.
Who's to blame for what's going on?
In the dark without a clue I'm just the same as you.

O, they tell us there's poison in the well,
that someone's been a bit untidy and there's been a small spill
.
Not a lot, no, just a drop.
But there you are mistaken, you know you are.
I wonder just how long they knew our well was poisoned but they
let us just drink on.

O, they tell us there's poison in the well,
that someone's been a bit untidy and there's been a small spill
.
All that it amounts to is a tear in a salted sea.
Someone's been a bit untidy, they'll have it cleaned up in a week.
But the week is over and now it's grown into years since I was
told that I should be calm, there's nothing to fear here.
But I drank that water for years, my wife and my children.

Tell me, where to now, if your fight for a bearable life can be
fought and lost in your backyard?

O, don't tell us there's poison in the well,
that someone's been a bit untidy, that there's been a small spill.
All that it amounts to is a tear in a salted sea.
Someone's been a bit untidy, they'll have it cleaned up in a week.
