

## Bee In My Bonnet

10cc

I got a bee in my bonnet  
Got a chip on my shoulder  
I got a hole in my shoe  
And my toes are getting colder  
I got ants in my pants  
I got fries in my thighs  
I got a bone in my nose  
I got frit in my ass

I got a bee in my bonnet  
Got a chip on my shoulder

I got a flee in my ear  
I wear my heart on my sleeve  
I got a ticket for the train  
And I'm ready to leave  
I got a rockin' pneumonia  
And the boogie woogie flu  
I got the palpations  
All because of you

I got a bee in my bonnet  
Got a chip on my shoulder

I'm burning, with love

I got my fish on the line  
I got my hand in the water  
I know right from wrong  
So I do what I oughta

I laugh in the day  
I cry in the night  
Woo hoo baby  
Gonna be alright

I got a bee in my bonnet  
Got a chip on my shoulder  
I got a bee in my bonnet  
Got a chip on my shoulder
