Somebody help

What medicine do I have to take
For me to fall asleep?
Actually, I know but I'm a bit nervous
I don't want to talk about my complicated problems
But I'm so tired

Wouldn't there be a world
Where all the people who like to torture me, disappear?
Sometimes, I ran away
Sometimes, I hid
But I always knew the ending

All the lies and things I said all day
All the stupid things I did
I'm trapped in them
Can't someone take me out?
Before the night is over?

Help, somebody help
Somebody help
Somebody help me please tonight
Somebody help
Somebody help
Somebody help me please tonight

Is everyone the same as me
But just holding it in?
Or am I the only bad person?
Sometimes, I dream
Sometimes, I fly
But I always know the ending

All the lies and things I said all day
All the stupid things I did
I'm trapped in them
Can't someone take me out?
Before the night is over?

Help, somebody help
Somebody help
Somebody help me please tonight
Somebody help
Somebody help
Somebody help me please tonight

When morning comes again
Will I be able to get up? Somebody help

All the things that I want to change
Will they just stay the same? Somebody help

When morning comes again
Will I be able to get up? Somebody help
All the things that I want to change
Will they just stay the same? Somebody help

When morning comes again
I must get up, somebody help
All the things that haven't changed
I'm not ready to face them, somebody help
