Yesterday was beautiful
Today is hell
Rain drops that prickled like needles won't stop falling
They say it gets dark, you can't see or breathe
It's really true

Did I bother you?
Were you annoyed by me?
Just when I realized, the movie was over
Like a villain facing the end

I'm getting erased
And you shined even more

Because you didn't throw me away on time
Everything about you became a mess
You're finally perfect now without me
If only I was quicker to notice

I made you nervous, right?
You were anxious because of me
I ruin everything that pass through my hands
Like a monster about to face its miserable end
I had to go away
In order for this boring story to end

Because you didn't throw me away on time
Everything about you became a mess
You're finally perfect now without me
If only I was quicker to notice

I feel so damn pathetic thinking about you tonight
So I kept mumbling childish things all night
No matter how much I think about it, you're so perfect without me
If only I was quicker to notice

Now you can have peaceful nights
With no problem

Yesterday was beautiful
Today is hell
