This is the most expensive solo concert in the world
I'm the singer and the audience is just you
Before the curtains are drawn
Just be careful of a few things

Change into the most comfortable clothes
Lay in your favorite spot
Careful that your battery doesn't drain
Always be on the call

Tell me any song you want to hear, everything
When you're hungry, get coffee, popcorn, anything
Don't give me too much pressure, just comfortably listen
Or else I'll be too nervous

A moving song only for you
A corner that will only make you laugh
I'm gonna make your heart flutter so much that you can't sleep
The time is now, shout out loud

I know your special tastes better than anyone
Sweet yet sad and breathtaking (right?)
But the next song is important, turn up the volume
Do you remember? That song from that day?

Even if I seem too serious, don't laugh
Anyone can see it's not a perfect song
I practiced this part a lot but I'm making mistakes cuz of you
Because I'm still so nervous

A moving song only for you
A corner that will only make you laugh
I'm gonna make your heart flutter so much that you can't sleep
The time is now, shout out loud

This concert is almost over
Tell me how it was through text
I don't want to hang up but I know you're sleepy
Be excited for this last song, the most important

A moving song only for you

A corner that will only make you laugh
I'm gonna make your heart flutter so much that you can't sleep
The time is now, tell me what song you want
Wanna hear it again? Honestly, I want you
I don't know if your heart will flutter and not go to sleep
But this is the encore, shout out loud

This is the most expensive solo concert in the world
I'm the singer and the audience is just you
