I'm really sorry about yesterday
I will be better today
We need to have a serious conversation

Then I quickly turned my head
And looked to see how you were
But honestly, my heart is not at peace yet

Your heart is so hard to figure out
Why are you making that face?
When I ask you (when I ask you)
You just let out a laugh that's hard to understand (a laugh)
The only way I'll know is if you're honest with me

What do you think about this?
Would you like it if I did that?
We need to have a serious conversation

You might not say anything
And awkward time will pass
It feels like you might suddenly leave me

Your heart is so hard to figure out
Why are you making that face?
When I ask you (when I ask you)
You just let out a laugh that's hard to understand (a laugh)
The only way I'll know is if you're honest with me

What's the big deal about saying I love you?
What's the big deal about hugging and kissing?

Your heart is so hard to figure out
What exactly are you feeling?
What are you trying to say?
The only way I'll know is if you're honest with me
