Don't stop me and my love for you
This heart that goes crazy by just looking at you
Who would know? There might be someone else next to you
Wearing a wedding dress

You know how much I loved you and waited for you
Why are you so busy? It's so hard to see you
What exactly are you doing these days?

No, it's not like that, please don't ask
Please just trust me and wait for me
I also need time for love

So that I can accept you

Are you avoiding me on purpose?
I text you but there is no word from you
If you don't like me, just be honest

Don't stop me and my love for you
This heart that goes crazy by just looking at you
Who would know? There might be someone else next to you
Wearing a wedding dress

I'm scared that you will meet
A man that is better than me
No, it's not like that, I really only have you
Just pretend not to notice and just trust me

I coincidentally saw you in some other guy's arms
I saw your happy smile that I've never seen before
And my love was crumbling down

No, it's not like that - this isn't an excuse but
That man has nothing to do with me
I was just a bit dizzy and leaned against him
Please don't misunderstand

I too, met a lot of woman
And broke up with them but
I've never met
Several of them at once

Who are you to hurt me like this?
Because of you, my love became a scar
From now on, you will never meet
Someone like me

I'm scared that I won't ever
Love like this again
You may not believe me but you're my first love
So what am I supposed to do if you leave me?
I won't even expect you to love me back
Just let me always be by your side, please please
