

Let me tell you bout this number
Trust me it's bound to blow your mind
It's about 3.7 billion girls struttin' round this world
Playa like myself can work them odds just fine

Then you came along and you changed the game on me
Don't mind if I blow a ticket 'cuz I hit the lottery
1-4-3 are the only numbers I see
That means that I fell in love
My homies keep tellin' me, tellin' me

I'm so lucky; lucky
(So lucky, so lucky, now)
Can't believe that I just found; I just found the one
I'm so lucky; lucky
(So lucky, so lucky, now)
You can tell them other girls; other girls I'm done
I'm so lucky; lucky
(So lucky, so lucky, now)
I just hit the lotto baby
(Oh baby)
She's the coldest one that I know
I'm so lucky; lucky
(So lucky, so lucky, now)
Can't believe that I just found; I just found; I'm just so...

It's so hard; I could be a statistic
Falling victim to the numbers in my phone
Buts that's alright 'cuz you and I remind me of the number 11
1 on 1 when we all alone, baby

Then you came along and you changed the game on me
Don't mind if I blow a ticket 'cuz I hit the lottery
1-4-3 are the only numbers I see
That means that I fell in love
My homies keep tellin' me, tellin' me

I'm so lucky; lucky
(So lucky, so lucky, now)
Can't believe that I just found; I just found the one
I'm so lucky; lucky
(So lucky, so lucky, now)
You can tell them other girls; other girls I'm done
I'm so lucky; lucky
(So lucky, so lucky, now)
I just hit the lotto baby
(Oh baby)
She's the coldest one that I know
I'm so lucky; lucky
(So lucky, so lucky, now)
Can't believe that I just found; I just found; I'm just so...
(So lucky, so lucky, now)

Hold up you know
It's a whole lotta those out here
But baby don't you have no fear
None of them are coming close to ya

(You know) You know; I know
Lovin you is a goal out 'chere
I feel like you're the only one
Every single time you give me some
Feelin' so...

Lucky; lucky
(So lucky, so lucky, now)
Can't believe that I just found; I just found the one
I'm so lucky; lucky
(So lucky, so lucky, now)
You can tell them other girls; other girls I'm done
I'm so lucky; lucky
(So lucky, so lucky, now)
I just hit the lotto baby
(Oh baby)
She's the coldest one that I know
I'm so lucky; lucky
(So lucky, so lucky, now)
Can't believe that I just found; I just found; I'm just so...
Lucky; lucky
(So lucky, so lucky, now)
Can't believe that I just found; I just found the one
I'm so lucky; lucky
(So lucky, so lucky, now)
You can tell them other girls; other girls I'm done
I'm so lucky; lucky
(So lucky, so lucky, now)
I just hit the lotto baby
(Oh baby)
She's the coldest one that I know
I'm so lucky; lucky
(So lucky, so lucky, now)
Can't believe that I just found; I just found; I'm just so...
So lucky now
