

You've been rocking with me for  
Quite a long time  
So, I think it's only right  
That I give you some shine; I  
Might write a song or two about you  
Hope you don't mind  
If I take some time to speak my mind

'Cuz you...been...here for years  
Holding me down  
There ain't no need...for you  
To ask me if  
I'll...stick...around

'Cuz you still make me say (Ooh)  
In the morning  
You still make me say (Ooh)  
At night  
You still make me say (Ooh)  
Cuz I want it  
I'm still needing that  
In my life  
You still got it  
(Still got it)  
I still want it  
I'm still fiendin'  
You still supplyin'  
('Cuz you still got it)  
I still love you  
Love your body  
You still got it

Some wonder how we stay so strong  
And how we made it last for so long  
I tell them that it's somethin' 'bout your smile  
That real love is never goin' out of style

You...been...here for years  
Holding me down  
There ain't no need...for you  
To ask me if  
I'll...stick...around

'Cuz you still make me say (Ooh)  
In the morning  
You still make me say (Ooh)  
At night  
You still make me say (Ooh)  
Cuz I want it  
I'm still needing that  
In my life  
You still got it  
(Still got it)  
I still want it  
I'm still fiendin'  
You still supplyin'  
('Cuz you still got it)

I still love you  
Love your body  
You still got it

You are timeless  
Irreplaceable  
Divinely you're  
Designed for this  
Loving you  
Never gets old

You still make me say (Ooh)  
In the morning  
You still make me say (Ooh)  
At night  
You still make me say (Ooh)  
Cuz I want it  
I'm still needing that  
In my life  
You still got it  
(Still got it)  
I still want it  
I'm still fiendin'  
You still supplyin'  
('Cuz you still got it)  
I still love you  
Love your body  
'Cuz you still make me say (Ooh)  
In the morning  
You still make me say (Ooh)  
At night  
You still make me say (Ooh)  
Cuz I want it  
I'm still needing that  
In my life  
You still got it  
(Still got it)  
I still want it  
I'm still fiendin'  
You still supplyin'  
('Cuz you still got it)  
I still love you  
Love your body  
You still got it
