

(Angels we have heard on high
Angels we have heard, heard
Angels we have heard on high, oh...
Angels we have heard on high
Angels we have heard, heard
Angels we have heard on high, oh...)

Oh yeah, you know I feel it now, ah uh ah
Yeah, the family catchin' vibes, ah uh ah
Suited to the socks, party like I'm fly (fly)
Chillin' wit' the squad and we shinin' like stars in the sky
Yeah, I'm chillin', wifey dancin' with me
I'm rollin' with my cuff links
Party jumpin', bouncin', get jiggy to the music on the spotlight
And we be movin' electric style, fa la la la
Hey, hey, you know I can't contain my smile (Oh yeah, you know you make me smile)
Oh yeah, I hold it for a while (Oh yeah, I hold it for a while)
Let's celebrate the life of Christ (Oh yeah, yeah)
Tryin' to find a star up in the sky (Ooh)

Turn me up, turn me up, yeah
Run it up, get 'em, got it, yeah
We got a seasonal vibe, yeah
We gotta bring it up high, yeah
Like, Do you know? Do you know?
Hey, hey, hey, hey

(Angels we have heard on high
Angels we have heard, heard
Angels we have heard on high, oh...
Angels we have heard on high
Angels we have heard, heard
Angels we have heard on high, oh...)

Oh yeah, you know I feel the fire (Ah)
Yeah, Your light is shining bright (Ah, whoa)
Party lit at the stars
I just can't get enough of Your love
Don't see me posin', I've been focused
It's the season for the Glorious Honor of the Majesty, all of our King
I wonder where would I be, I be if You never found me when I needed You (Oh)
Hey, hey, you know I can't contain my smile (Oh yeah, you know you make me smile)
Oh yeah, I hold it for a while (Oh yeah, I hold it for a while)
Let's celebrate the life of Christ (Oh yeah, yeah)
Tryin' to find a star up in the sky (Ooh)

Turn me up, turn me up, yeah
Run it up, get 'em, got it, yeah
We got a seasonal vibe, yeah
We gotta bring it up high, yeah
Like, Do you know? Do you know?
Hey, hey, hey, hey

(Angels we have heard on high
Angels we have heard, heard

Angels we have heard on high, oh...
Angels we have heard on high
Angels we have heard, heard
Angels we have heard on high, oh...)
