

Let me talk

Big plug talk on the line, he just hold me down  
Big dawg P take it home, gotta give it to the pound, yeah  
Light up my tricks and my bag, try take me out (Try take me out), ayy  
Big wave drippin' on stage, make the whole crowd drown, uh  
Big wave drippin' on stage (Uh-huh)  
Big dawg let me out the cage (Okay)  
Big wave drippin' on stage, make the whole crowd drown (P)

I just got told this my season (Right)  
Remember when I was on defense (Uh-huh)  
God took me out of the deep end (Wow)  
And if you want it, it's better to speak it (Right)  
On my coffin, get back to treatment (Ugh)  
I'm a soldier, my Father the (Ugh)  
You got pro'lems if I'm in the sequence (Right)  
It's the Master, just follow the teaching (Ugh)  
I've been workin', my nights have been sleepless (Ugh)  
Take my name, if you want it, you keep it  
If it's P, gotta make sure we eatin'  
Almost quit, I got labelled a heathen (Wow)  
God works on my faith, I've been peakin' (Peakin')  
45 'til I die, are you dreamin'? (Dreamin')  
All these ain't wanted this meeting  
Come get the ropes from me (Uh-huh)  
Though the planet's like old to me (Uh-huh)  
Feel this choker is chokin' me (Uh-huh)  
I'm where I'm 'posed to be

Big plug talk on the line, he just hold me down  
Big dawg P take it home, gotta give it to the pound, yeah  
Light up my tricks and my bag, try take me out (Try take me out), ayy  
Big wave drippin' on stage, make the whole crowd drown

Yeah, big wave, big chain, big drip, drownin'  
10 band, maintain, tap dance, clownin' (Yup, yup)  
They don't even know they shook (Shook)  
They don't even know they stuck (Stuck)  
They don't really know the business (Nope)  
They just want Bentley trucks (Skrt!)  
'Cause the foe and the leader (Yup)  
They just wanna roll they weed up (Yup)  
I'm just by the store tryna read up (Yup)  
I just wanna tell folk, "Read up" ("Read up, man")  
Uh, we go the chemistry  
Why we give in to this industry sellin' this murderous ministry?  
What we intend to be?  
Nipsey was given the synergy, they all not what they pretend to be  
Big splash, skip class, get cash, blow that  
Pull schools, no tools, we lose, hold that  
I got partners that still trap  
Free my dawgs in the steel traps  
Drip too small, we don't feel that  
It's real rap

We talk

Big plug talk on the line, he just hold me down  
Big dawg P take it home, gotta give it to the pound, yeah  
Light up my tricks and my bag, try take me out (Try take me out), ayy  
Big wave drippin' on stage, make the whole crowd drown, uh
