

Dip me in the water, came out lemonade
Nothing sweeter than this life when you in the shade (Huh, yeah)

Nothing sweeter than His love, it's like my lemonade
Really quench-thirsting for the Word like it's Gatorade
Dip me in that water, dip me in that water, ah-ah
Dip me in that water, dip me in that water, ooh-ooh
Dip me in that water, dip me in that water, ah-ah (Yeah)
Dip me in that water, dip me in that water, ooh-ooh (Man)

Dip me in that water like I just got saved (Phew)
Dip into my wallet like I just got paid (Ayy)
Stutter at the bread, please p-p-p-pay me
Wouldn't be a summer without S-S-S-Swaizy (Ayy, yeah)
Papi está caliente, ¿donde está mi malta? (Phew)
El party al garete, de aquí nadie me saca
Flotando en la pista la barras en una maca
Y, si, Dios está conmigo de verdad nada me falta (Ayy, ayy, ayy)
Sweat-stained Hanes beater and some Perrier (Ayy, yeah, yeah)
Yeah, the top down chuchero, speakers hate the 808's (Yeah, yeah, yeah)
Ain't no way my AC broke down Peace Street
I'ma need a peach tea, Coca-Cola mixed with lemonade

Dip me in the water, came out lemonade (Dip, yeah)
Nothing sweeter than this life when you in the shade (Phew)
Dip me in the water, came out lemonade (Dip, yeah)
Nothing sweeter than this life when you in the shade (Huh, yeah)

He took His time with me, cleansed me of my sins
Washed me out, like the laundromat, devil wanna win
I declined, never going back, stacking up my Bibles through the ceiling (Phe
w, phew)
No, I never lack, high up off His presence (Phew, phew)
Smelling like it's incense, summertime topic of discussion (Phew, phew)
Came to brighten that, MEEZO! gon' step, yeah (Phew, phew)

Nothing sweeter than His love, it's like my lemonade
Really quench-thirsting for the word, like it's Gatorade
Dip me in that water, dip me in that water, ah-ah
Dip me in that water, dip me in that water, ooh-ooh
Dip me in that water, dip me in that water, ah-ah
Dip me in that water, dip me in that water, ooh

Dip me, dip me, dip me in, dip-

Dip me in that water, make me flesh and clean
Take your lemons, makin' lemonade's refreshin' me
Dirty socks, ripped jeans, told me come as I am
I was just a lost soul, now I'm finally free
Blind to the world like it's cataracts, told 'em put the pressure on me
I ain't foldin', I got living water spillin' on me
