

I got too much to say, Got so many things that He did in my that I can't even mention  
I was down in my bed tryna get right inside of my mind but I knew I was slippin'  
I was just a young dude with ambition, hopin' I'd be the one that they'd mention  
Then I hopped on the interstate, moved to Atlanta, got signed but somethin' felt missin'

It was hectic, He got me outta the storm, it was so reckless  
Accept it, this is not time for your school, just give 'em the message  
Hey skeptics, come look at my life you gon' see a different perspective  
It's destined, that my heart was pierced just like a Celtic

We had to go (Let's go), He said to step out the boat and just float (Woo)  
I talked to God and I went Holy Ghost (Holy Ghost)  
[?] go down the Yellow Brick Road (Yellow Brick Road)  
I was just ridin' around on the woes (Ridin' around on the woes)  
[?] down to the streets and the folks (Woo)  
That's why I'm takin' a different approach (Yeah, yeah)  
He the One that got me outta the storm (Yeah, yeah)  
It's woah, we in that, give me that Word, meditate, I'ma sit on that (I'ma sit on that)  
God took us up so high, where the ceilin' at? (Woo)  
Keepin' that real, big God, He invented that (Yeah)  
Went to the grave three days, ain't been back  
TPG, how I claim, how I live that (I live that, yeah)  
Pull that pain from my brain, where the pin at? (Let's go)  
God, I'm a witness, I'm sent, you can mind my business (Oh yeah)

It was hectic, He got me outta the storm, it was so reckless (Uh, uh)  
Accept it, this is not time for your school, just give 'em the message (Let's go, let's go)  
Hey skeptics, come look at my life you gon' see a different perspective (Let's go, let's go)  
It's destined, that my heart was pierced just like a Celtic (Let's go)

Presence, oh, I talk to God He gave His presence  
Fell in, I was by that water then I fell in  
When it got messy and Pops run outta  
I felt like I had to carry the cargo  
That's when He show me the way out the sorrow  
No dawg, no it ain't borrow  
No, we not in Kansas  
Before I was born He was paintin' a picture I feel like I live in a canvas  
Boy, I came from the Wick I ain't tryna be cool  
I got nothin' left but what you want me to do  
I said, "This for the Lord and my lil' brother Jude"  
The storm came but You showed me the truth

It was hectic, He got me outta the storm, it was so reckless  
Accept it, this is not time for your school, just give 'em the message  
Hey skeptics, come look at my life you gon' see a different perspective  
It's destined, that my heart was pierced just like a Celtic, ayy  
It was hectic, He got me outta the storm, it was so reckless  
Accept it, this is not time for your school, just give 'em the message  
Hey skeptics, come look at my life you gon' see a different perspective

It's destined, that my heart was pierced just like a Celtic
