

It's been pressed upon my heart to write
To all of my fellow brethren in Christ
Epaphras brought me a concern, my hope is shedding some light
Now it's tight to see your faith but I have an alt with you Colossians
The problem is your faith is being wavered by these Gnostics
Allowing them to teach you matters evil at best
And since our bodies are matter God couldn't be in the flesh
They're denying the fact that Christ was fully God and fully man
I fully stand saying who teaches this should be fully damned
I also understand you're fallen in legalism
Believing to be forgiven you're in need of circumcision
But I want you to grow in wisdom and truth
Having knowledge of His will, bearing spiritual fruit
But still in all I thank God for the light He's given y'all
I haven't ceased praying for you daily while in these prison walls
But these are some of the reasons I chose to write this text
So take heed as you read and believe through Christ alone you're blessed

Christ the Son of Man, the Lamb but still God
Let no man persuade you different than this
King of Kings, Lord of Lord He is
Let no man persuade you different than this
So stand firm in the faith
So stand firm in the faith
So stand firm
Let no man persuade you different than this
Let no man persuade you different than this
He's the full essence of God, man, in bodily form

Concerning this issue of Christ, He is the exact image of the invisible
God who is Spirit through Christ has become visible
Son of God, firstborn of us all and it's not literal
He's chronologically first, the best way to keep this biblical
So what I'm saying is He was here before all beings
And Christ was not created but He has created all things
Provided all means needed to save men, was stainless
Alone through Him we're holy and blameless
He's the Head of the church, we're just the body that's formed
He's the full essence of God, man, in bodily form
I want you to see that Christ even rules in His seniority
Angels give Him the glory, creation sees His authority
He has prevailed over the law of the lost
And yes, He has paid your ransom, it's nailed to the cross
I want you to know I write this so no man can persuade you
But you'll stand firm in the Son who was crushed to save you

So if you were truly buried in baptism with Him and was raised up
Just as He has risen His will is to change us
Our aim thus is changed up to seek the things
That are above, our lives' love's to please the King
So we're committed to putting to death our members
And every evil desire that's springing up from within us
Our whole plan as believers, you know the goal, fam (family)
Is daily look more like Christ and put off the old man
Put on the new man He seeks to use
And stand firm there is no distinction between Greek and Jew
The peace is through what was done, the lies should stop

Salvation is through the Son, circumcised or not
Let His word dwell in you richly to show that you've known Christ
Just as sho (sure) as you've grown right, fruit will show in your home life
I pray this encourages you when this is received by Tychicus
Written by Paul's hand, remember my imprisonment
