Stayin' up 'til morning breaks  
Ain't no such thing as too late  
All the stress from our nine to five  
Won't let it faze me when it's Christmas time  
Anybody told you nothin' matters like it's 'posed to?  
No heartbreak, no mistakes, no wrong  
I'ma celebrate my favorite birthday  
And even if I have the worst day  
I know that there's better to come

Won't let nothing hold me down  
When I'm in the Christmas mood  
Look at the joy I found  
So, Jesus, I'm thanking You  
Yeah, I'm thanking You  
Yeah, I'm thanking You  
Yeah, I'm thanking You (Oh yeah)  
Yeah, I'm thanking You  
Yeah, I'm thanking You

I know I've been tripping all night  
Even though I see you close by  
Money looking real tight, I just want to cry (Yeah, yeah)  
It's Christmas time (Oh-oh)  
I can't lose my joy over little things I don't symbolize  
Your great love, love (Love)  
Would You help me focus my eyes on You? (Oh)  
Majesty (Majesty), King of kings (King of kings)  
Holy, You are, we'll say

Won't let nothing hold me down  
When I'm in the Christmas mood (In the Christmas mood)  
Look at the joy I found  
So, Jesus, I'm thanking You (Yeah, I'm thanking You)  
I'm thanking You (Thanking You), thanking You  
I'm thanking, I'm thanking You, yeah, I'm thanking You  
Thanking You, thanking You, yeah, I'm thanking
