

What A Time

116 Clique

Oh, what a time
The stars are brightly shining
It was the night of our dear Savior's birth
Long lay the world in sin and error pining
'Til He appeared and the soul felt His worth

Oh, what a time
What Child is this?
Whose crown is this?
On the ground I live
Falling on my knees
Giving everything to the King of Kings
Oh, what a time
What Child is this?
Whose crown is this?
On the ground I live
Falling on my knees
Giving everything to the King of Kings
What Child is this?
Whose crown is this?
On this ground I live
Falling on my knees
Giving everything to the King of Kings

Oh, what a time
The stars are brightly shining
It was the night of dear Savior's birth
Long lay the world in sin and error pining
'Til He appeared and the soul felt His worth

Oh, what a time
Oh, what a time
Holy divine
All must align
Greater than wine
Oh, what a time
Holy divine
All must align

Got a lot of stress, and a lot of pain
But we all alive, and we all okay
It's a holiday, it's a holiday
Thank God for the holiday
Got a lot of stress, and a lot of pain
But we all alive, and we all okay
It's a holiday, it's a holiday
Thank God for the holiday

Giving everything to the King of Kings

Giving everything, everything
