

## Lovewaves

12 Rods

i'll write a book when i'm old enough to  
i know i've planted at least one tree  
i'll have a girl when i'm old enough to  
i'd love to inspire her

my gifts are stored behind my two blue eyes  
i'll share this knowledge with you

i have a bed that i will share with you  
receiving lovewaves

from my right  
from my left  
up above  
down below

remember to treat yourself to ice cream
