Is the new destination
Classical
Who's the next radical
Keep me fed up with the same old get up
What's enough for me is enough for you
And you're leaving town to get a new tattoo
Make it mega bright for you
Future is bright for you
I meant to get away
Dent in history
Religion
To heal the incision
Loud and clear
Your actions speak so loud and clear
Yesterday so fresh and new
You can't decide what is fresh and new
'Cause sarcasm has got the best of me
When the future looks bright for you
See my image on the TV screen
It's actions speak so loud and clear
It'll give you what you want
But what you want is drilled inside your head
Don't listen to me I'm just a hypocrite
A victim of this simple circumstance
