

GOSSAMER

12012

If Im going to drop dead, it won't be that easy.
Release the thing that you have kept locked up forever.
Even I have my will and pride.
I will bare my fangs my own way.
creeping death.
Before the light goes out.
creeping death.
Before the light goes out.
I show fangs. crunch
When will this enormous darkness take over.
Release the thing that you have kept locked up forever.
Everyone scrutinizing.
Everyone frivolously laughing.
The next is my attack!!
Bite!
Bofore the light goes out.
I bite deeply
Before collapsing.
