

Theorem of the entangled threads of chaos
Drink deep of the mercurial depths
Walk the salt of ancient ocean-deserts
Reaching for the knowledge of the gods

Under the vitriolic blue gleams of Saturn
Blackest planet, rise through this flesh
The lesser, the major, the majestic and the horned
Requiem of souls ordained by death
Subject of Mars, take form from embers
Flesh for knowledge, crown for flesh
Upon the founding three elemental pillars
Death of self through alchemical rebirth

Wolf for king, flesh from wolf
Transcending stratum infernali
On spagyric paths be driven
To metamorphosis absolute

Fatalist
Rebirth through womb of ash
Fatalist
Return of flesh-triumphant
Fatalist
Rise, paragon of pure perfection
Fatalist
Resurrection, crown of liberation

The infinity of dying, of a timeless heart
From destruction comes new creation
Epignosis obtained through fire from beyond
Resurrected through wolf and ash
Purification through the high art of death
Resurrection through sacrifice of death

Transition, dark-origo exceeds
Meliora, passing inner shields
Wrath of the Grey
Come into self
Advancing the vortex
The vortex by fire, fire, fire
By fire

Antimony
Eclipse regal flesh
Beyond this point there is only fire
Antimony, antimony
Devour king and gold (King and gold)
Timeless self
Wolf on pyre

Fatalist
Return of king-triumphant
Fatalist
Rise through formative death
Fatalist
Rebirth from baptism of fire

Fatalist
Resurrected, the ash-birth of flesh

Lupus metallorum
Transition sulphur king
Reborn from ash of sin
