

An invitation obscure  
A feast macabre  
Murder to dissect  
The iron-wolf grin  
Jackal embodiment  
Soul scraped thin  
Cardinal observer  
In stalwart scrutiny  
In naked sordidness  
Let death know I'm here

Paralyzed by godless science  
Inquisitorial clinical obsessions  
Striped of all sense of self  
To carve a new world from rotting

The quintessence in grotesque motion  
Repression of the weaker flesh

Dinner at Mengele's  
Existence amputated  
Dinner at Mengele's  
Courting annihilation

And in its raw totality  
Abattoir tributary  
With morbid exactitude  
A tract of silvery death  
Crippled under devilish scrutiny

Lancing into every nerve and system  
Cleansing off skin and boiling flesh...

Senses, in rapture screaming  
As nerves recoil fear manifests

Dinner at Mengele's  
Existence desecrated  
Dinner at Mengele's  
Courting annihilation

"This wickedness knows no boundaries  
Dark insight - So inhuman and so cruel"
