Splash 1 (Now I'm Home)

13th Floor Elevators

I've seen your face before
I've known you all my life
And though it's new
Your image cuts me like a knife
And now I'm home
And now I'm home
And now I'm home to stay

The neon from your eyes is splashing into mine
They're so familiar in a way I can't define
And now I'm home
And now I'm home
And now I'm home to stay

Though this is awful speedy
We needn't bother sleeping
All we might say is understood
And now I'm home
And now I'm home
And now I'm home to stay

The fierceness of my feelings
Rocks me like a war
It's good to know we won't be strangers anymore
And now I'm home
And now I'm home
And now I'm home to stay

And now I'm home
And now I'm home
And now I'm home to stay
