

## Joe The Cat

16

Half white and half tan  
Abandoned by a man  
The rains came  
And swept away  
This tiny little  
Furry man

Swim Joe, swim away  
You'll be saved

Long hair and blue eyes  
Adopted by a girl  
Brought him home  
Kept him warm  
He was sweet

Seven toes and sharp teeth  
Coming home  
I called for Joe  
He didn't come  
He doesn't breathe
