

Only Photographs Remain

od's arrived too soon
for her soul
she can't hid
been set free
unchained
feel my pain
only photographs remain
the final stage
bright light
turn the page with pride say goodbye
exclaimed prices are getting steep
tropic of cancer
sinking further deep
tropic of cancer
nightly counting sheep
tropic of cancer
what will you keep?
tropic of cancer
time runs out
prices getting steep
tropic of cancer
sinking further deep
tropic of cancer
feel my pain
only photographs remain
