

Ride The Snake

16

No more torture
No more fuck you

Everything I see
Fucking enrages me
The twisted lives you lead
Fuels my hostility

I rate, I hate
I can't relate

Destroy your fucked up world
Destroy your fucked up mind
Drugs and booze, I lose
Reality denied
Denied

No more torture
No more fuck you

Everything I see
Fucking enrages me
The twisted lives you lead
Fuels my hostility
