

# Blackbird

16volt

face you with disdainment  
dirty falter  
discontentment  
like a vulture  
waiting silent  
patient with resentment

blackbird - overt - selfless - inert x2

watch out  
it's coming down  
30 feet tall  
angry animal  
like a bad trip  
with a new trick  
patient with resentment

just when you think you've got it all  
melting inside you  
just when you think you've had enough  
I'll be right here with you  
just when you think you've got it all  
melting inside you  
just when you think you've had enough  
I'll be right here with you  
right here with you x4

he'll bring you down  
and leave you in smoke (all by yourself)  
and tear you apart  
in monotone (all by yourself)  
he'll pull you down  
and take you through hell (all by yourself)  
so guard yourself, guard yourself well

Blackbird! x4

just when you think you've got it all  
melting inside you  
just when you think you've had enough  
I'll be right here with you  
just when you think you've got it all  
melting inside you  
just when you think you've had enough  
I'll be right here with you
